

# ALBERT VALLEY

## OLD FARTS RUN - 2009

FRIDAY 9<sup>TH</sup> OCT  
TO  
MONDAY 12<sup>TH</sup> OCT

The Old Farts Run first commenced in 2001 by Bones, who was the current President of Albert Valley. A friend 'Nank' needed cheering up so Bones arranged a 4 day ride for Boys only. Only 4 went on the first ride, however, such a good time was had that the annual Old Farts Run was born.

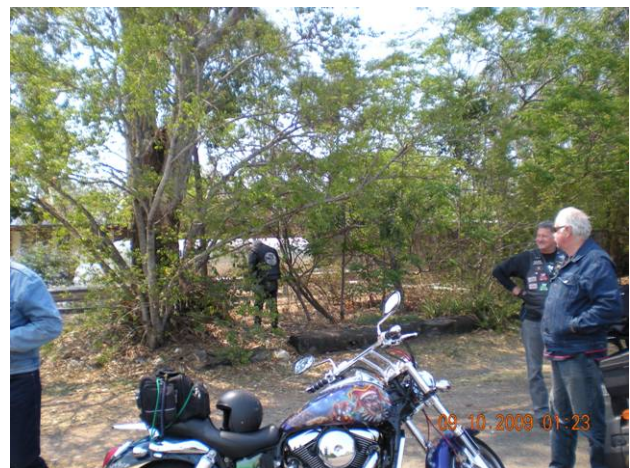

Biggenden – Biloela – Kingaroy - Total Distance of around 1300km

Brian couldn't make it, but he was there to see the boys off, lucky bastards.

First stop, looks like Fernvale, but what do I know, I wasn't there.

Disgraceful behaviour by 3 of the boys.

Clear skies, good riding, many stops, aaah a bed to rest the weary bones, and a secure shed in which to lock up our trusty steeds. A meal with friends, then time for Rod & Rob to chat up the local talent.

A night of merriment, and yes that is Rod chasing more local skirt, you dirty Old Fart.

Next morning, and everyone is bright and cheerful, and keen to press on.

it, if only for a couple of days.

I told the boys not to pick up any strangers, good to see Rooster could make

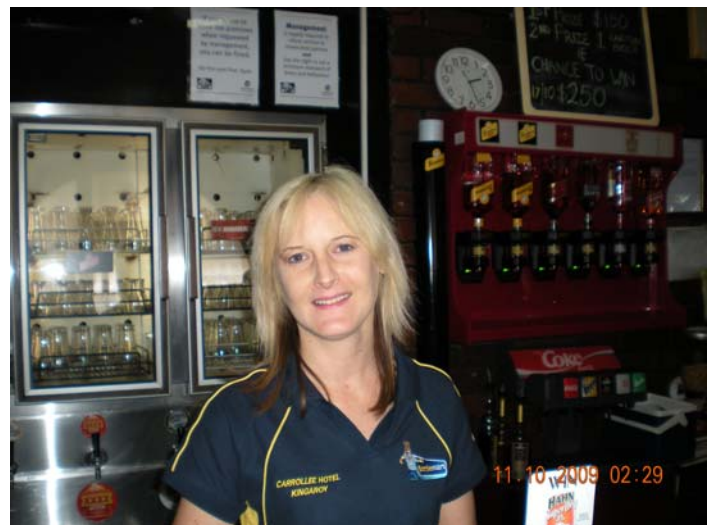

As usual, Ron dresses up for drinks, and what's this, Rod is also having a drink with the boys, what no Shiela's around. Sorry mate, gotta pick on somebody.

Another evening with everyone deep in thought.

Looks like everyone is ready to Rock'N'Roll

Don't ask me, I thought the ride was about Old Farts, not Old Tarts.

Looks like Sunday, and the big race.

At least this is better than last year when a naked Mick was running around the Hotel Verandah.

Well that's it for the 2009 run. From what I have heard a good time was had by all. Will be with you in 2010.
